The Road Taken

Through the Memorable
Year of 1968 at
Hampton High School

The Road Taken Through

Student Life

The first full assembly could very well have frightened some newcomers as an overcapacity crowd tried to fill the gymnasium.

Sophomores will soon become accustomed to the crowd which gathers in the second lobby.

Sophomore Orientation

Does this look familiar to a certain sophomore?

Two sophomores leave Hampton after their first day with looks of utter confusion.

A Tearful Cathy Accepts Queen's Crown

Members of the 1968 Homecoming Court included sophomore attendants Carolyn Phaup, junior attendant Martha Ritchie, senior attendant Val Callis, Homecoming Queen Cathy Pulliam. Also included were senior Katie Leary, junior Eileen Wolff, and sophomore Cindy

Rosser. Each girl was escorted by a member of the Hampton High Student body. After the crowning ceremonies the girls and their dates attended the SCA sponsored dance in the school cafeteria.

Seniors on the Homecoming Court included Val Callis escorted by Willie Powell, Cathy Pulliam escorted by Ricky Winstead, and Katie Leary escorted by Ricky Rogers.

Principal O. E. Ware congratulates Cathy Pulliam after being crowned 1968 Football Homecoming Queen. Cathy was chosen from three senior attendants by the football team before the game.

New Queen Cathy Pulliam reacts with surprise and tears of happiness when presented with the crown by Mr. O. E. Ware and roses by the 1966 Queen Diane McDonald.

Homecoming Queen Cathy Pulliam smiles with joy while her escort Ricky Winstead holds her trophy and silver bowl.

Camille Henley looks on as Lynn Burnett enters the attic hide-away with Rick Caswell and John Patterson in the play *The Play-*

room. Hampton's Troupe 300 presented this same play to the National Thespian Convention in June.

Drama Department Presents Unique Productions

John Patterson and Ann Searles starred in Hampton's first theater-in-the-round, the dramatic *David and Lisa*.

Stop the World I Want to Get Off was a highly unusual and difficult musical starring Chad Hardin and Carolyn Orser.

Chad Hardin discusses a serious family problem with his 'wife' Linda Spruiell in the comedy *The Loud Red Patrick*.

Don Cardin is rewarded with a victory kiss from Mary Lee Adams after a job well done. The Turkey Day victory climaxed a fine season which led to the Peninsula District Football Championship for the Hampton team.

Hampton's mascot, Freddie, danced with glee when "The Mean Machine" of H.H.S. tromped the Typhoons 35-12 in the annual Turkey Day Classic.

Typhoons Downed Once Again By Mean Machine

The Interact Club entered one of the many floats which promoted school spirit in the Turkey Day Parade held the night before Thanksgiving Day. Their float was awarded second place in the parade judging while the Senior Class float featuring a class ring model received first.

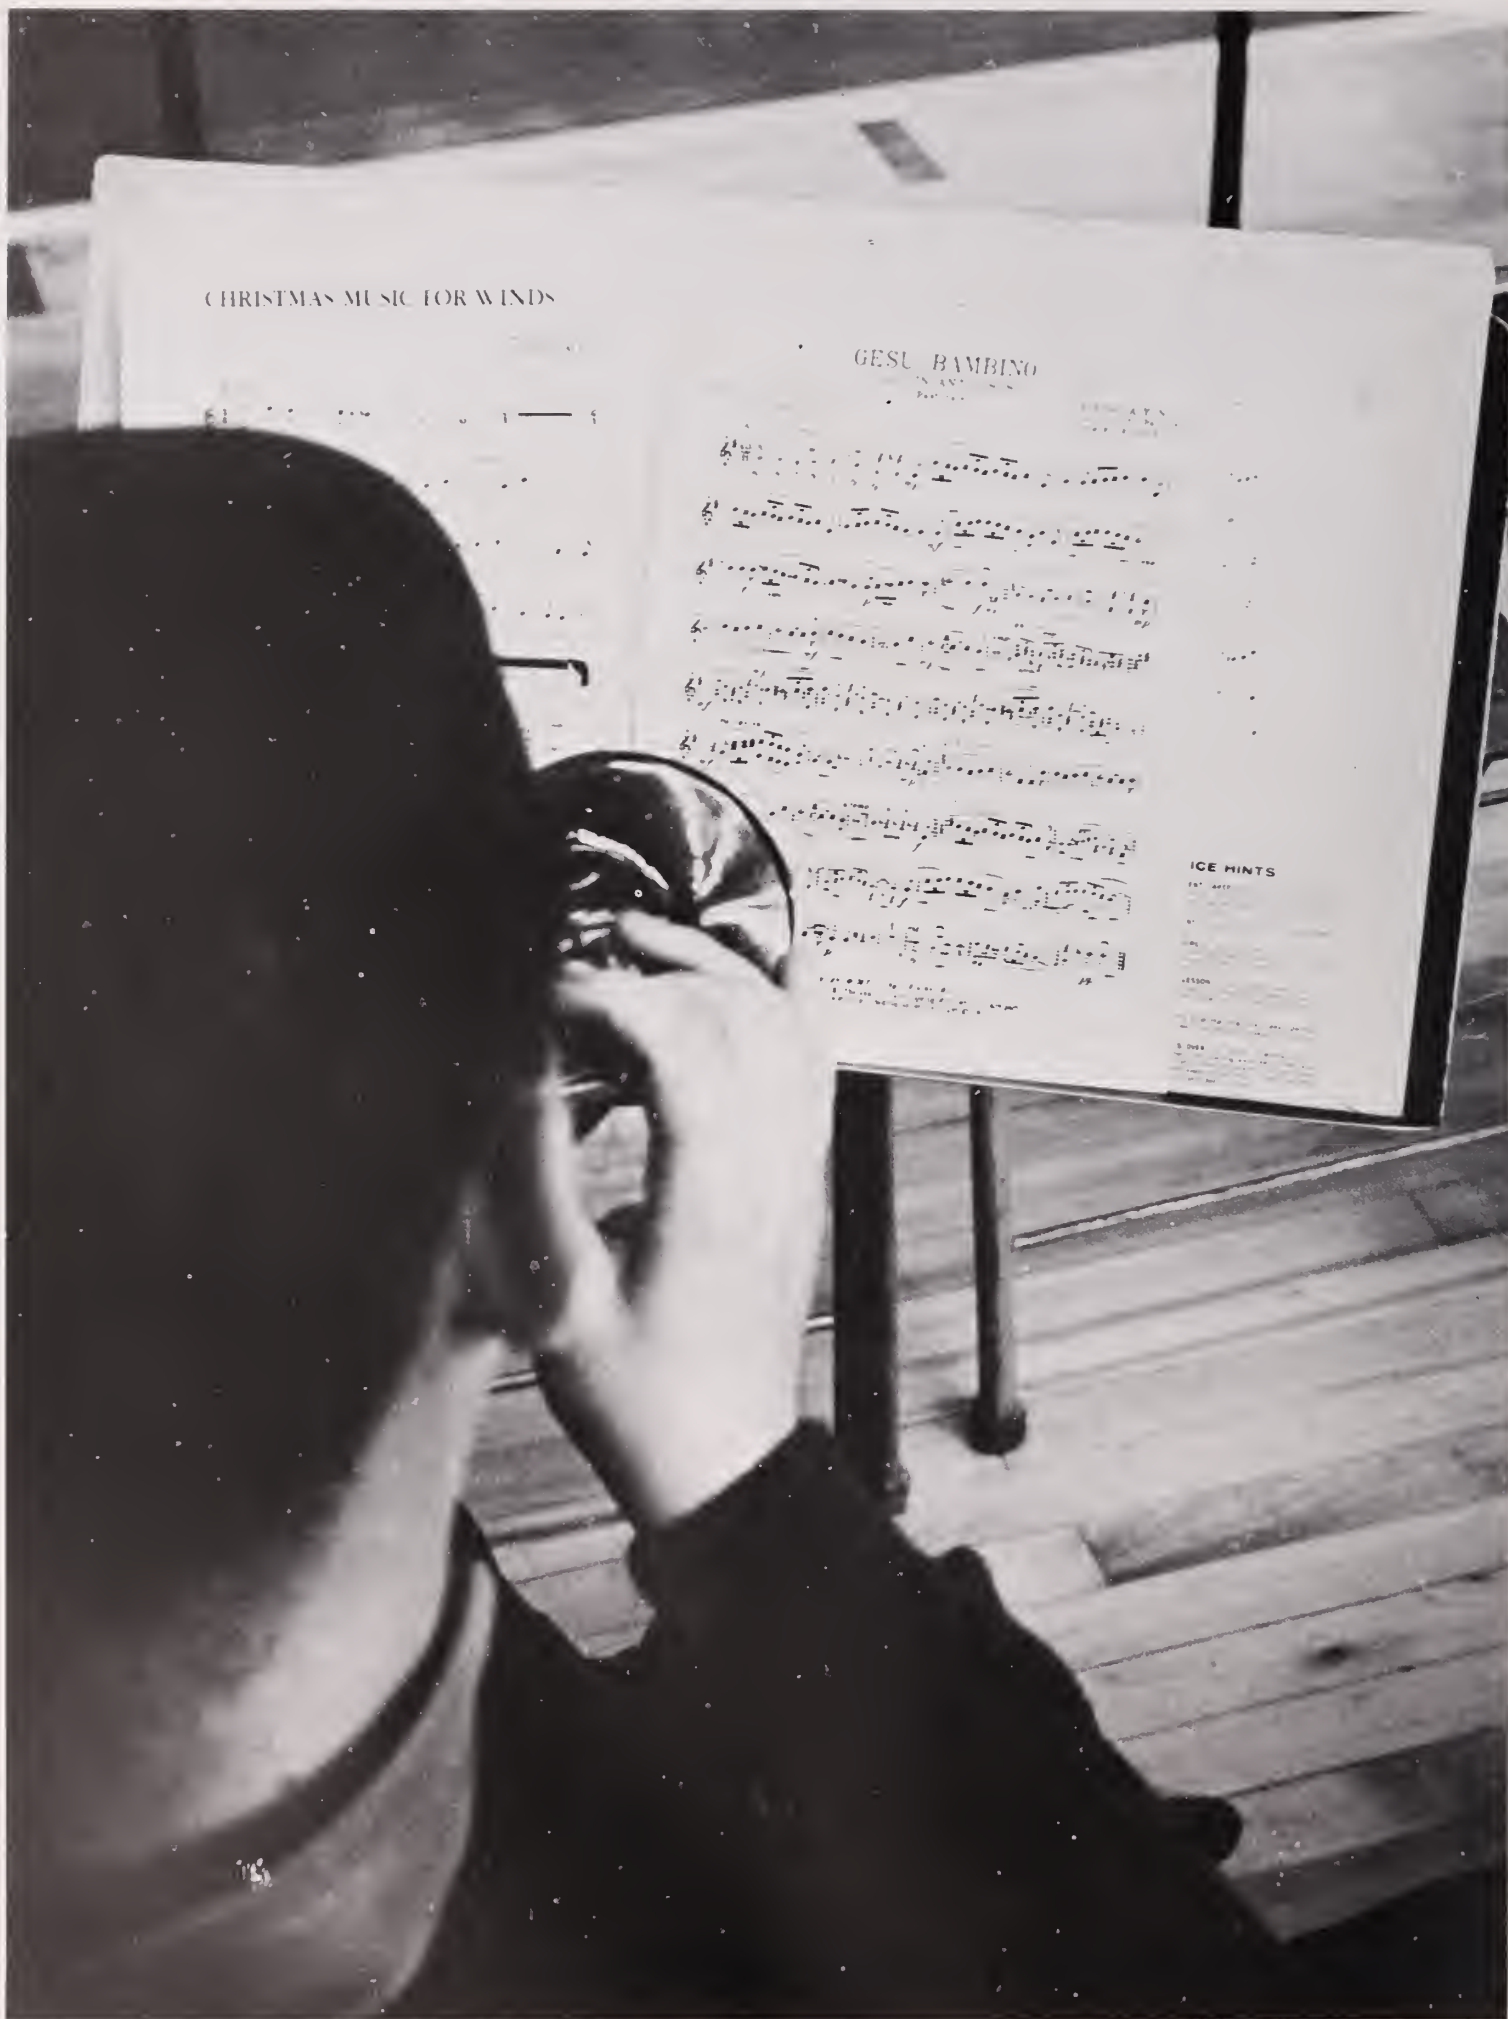

Varsity cheerleader, Val Callis, displays her school spirit against a background of light from the bonfire held before the Turkey Day dance.

Head cheerleaders from both Hampton and Newport News High Schools exchange beautiful carnations of the school's respective colors.

Band members and cheerleaders lead students in cheers to support H.H.S.'s football team. Many ardent fans stayed until the last embers of the bonfire died away before joining others at the SCA sponsored dance in the school cafeteria with music by the Towncriers.

Jane Huntley Reigns As Basketball Queen

Basketball team co-captains Steve Turnbull and Ricky Rogers present Jane Huntley with the 1968 Basketball Homecoming Queen crown, trophy, and bouquet of red roses. Principal O. E. Ware carried out the actual crown-

ing while escort James Martin and other members of the court looked on. The name of the queen was withheld until the halftime ceremonies.

Seniors on the Basketball Homecoming Court included Jane Huntley with her escort James Martin, Molly Price escorted by Jack Russell, and Nancy Hudson escorted by Willie Powell.

Members of the homecoming court were sophomore Ann Harris, junior Pris Watson, senior Molly Price, Queen

Jane Huntley, senior Nancy Hudson, junior Karen Tillman, and sophomore Marie Carneal.

Jane not only received congratulations from her friends, but also from her family including her younger sister.

Homecoming Queen Jane Huntley relaxes with Jimmy Martin at the SCA sponsored dance after Hampton's team was victorious over James Blair. Music was provided by the Del Notes.

Jack Russell installs Martha Ritchie as '68-'69 SCA treasurer.

Richard Honaker gives Krabbakrat campaign speech as candidate for SCA secretary.

Patrick speaks to his followers at the Krabbakrat caucus. Others running on his ticket were Mike Anastasio, vice-president; Richard Honaker, secretary; Martha Ritchie, treasurer; and Cindy Rosser, chaplain.

Foley Jones, Hamptonian nominee for SCA president, states his views to the student body. Other nominees were Bob Wilson, vice-president; Chris Bronchina, secretary; Tony Haynes, treasurer; and victorious Chris Henderson, chaplain. Chris Bronchina was later elected chaplain when Chris moved.

Hamptonian vs. Krabbakrat

Gail Greenburger, Kittie Spratley and Mike Press count votes in Krabbakrat caucus for officers running with Pat Patrick.

Bill Epperson explains to Judy Hendin and Pat Patrick how to hang the crepe paper.

to the boys' gym decorations.

Martha Ritchie adds the final touches before over a thousand people attend Hampton's Prom.

Prom Princess Molly Price poses with Prince David Reed.

Senior Class Night—The Other Brothers Show

Masters of ceremony for Senior Class Night were the Other Brothers, Bryan Hatchett and Harry Gore.

Bryan Hatchett interviews Most Athletic, Mary Jo Anastasio and Don Cardin.

Girls who attended Class Night wore white dresses and carried the traditional red carnation nosegay.

The Alma Mater brought tears to the eyes of many on stage when it was sung at the close of the program.

Mr. John Dawson receives an 'Emmy' for his loyal support of Hampton High through his photography of all of its activities.

Karen Kuecker helps seniors relive their three years at HHS through her Class History.

Bryan Hatchett tries to interview 'Most School Spirited', Molly Price and Pat Kahout.

Seniors fall in line at last practice on day of graduation. During the rehearsal each student received three tickets in case of rain.

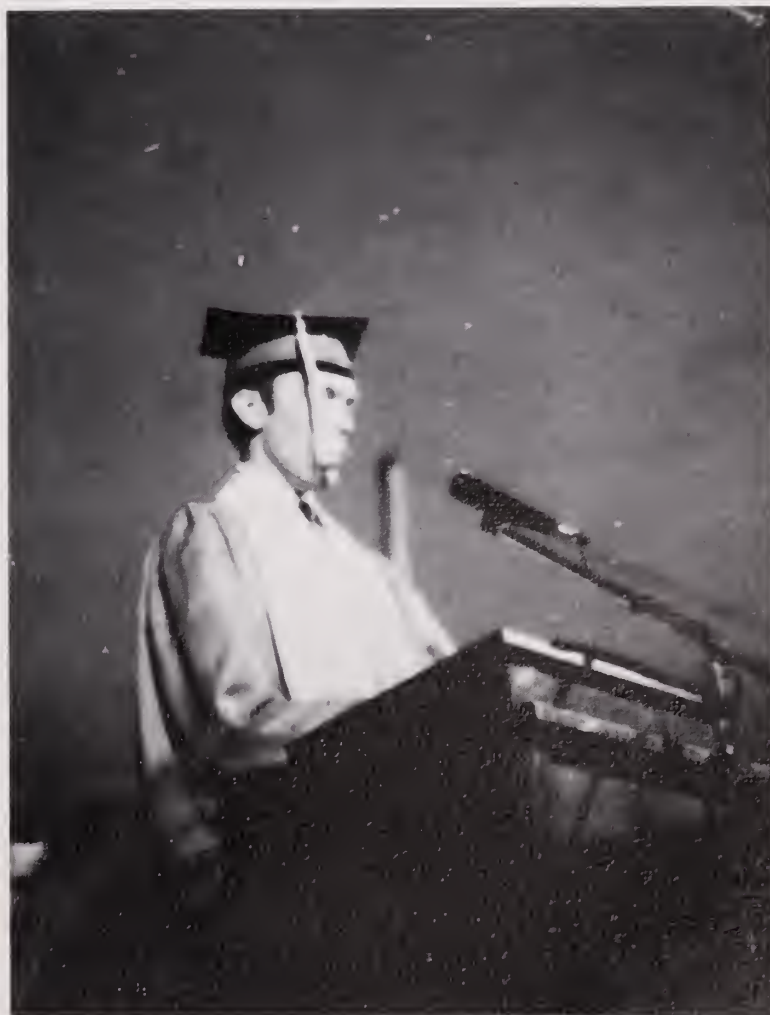

Teachers listen attentively to Superintendent of schools, Mr. C. A. Lindsay's, parting words before his retirement. As the alma

mater was sung for the last time tears could be seen in even the eyes of the boy graduates.

Graduation: The End is Just the Beginning

Senior sponsor, Mr. Sidney Swiggett, attempts to gain the attention of seniors at graduation practice.

Valedictorian, Howard Winch, gives the graduating class of '68 his views on life and his advice for the future.

After many years of outstanding service to the Hampton school system, Mr. C. Alton Lindsay will retire from the office of Superintendent of Schools. Mr. Garland R. Lively is to take his place.

Under the direction of Mr. Lindsay the Hampton School Board has done much to improve both the physical and instructional programs of Hampton High School.

H.H.S. Principal O. E. Ware led the administrative team, faculty, and the student body in one of its finest years. With the aid of Assistant Principals Richard Gibson and Michael Anastasio, plus Dean of Girls Jane Mohr, Mr. Ware carried out the responsibility of planning and administering the total school program.

Mrs. Nancy Davidson skillfully directed the activities of the Hampton Guidance Department. She was tremendously assisted by sophomore, junior, and senior counselors who planned schedules, administered college board tests, and offered valuable personal counseling.

Michael J. Anastasio, Assistant Principal, Serves as athletic director, oversees federal forms, supervises the building maintenance crew, secures all substitute teachers and directs boy's discipline.

Head Librarian, Lois Ballagh, gathers valuable research material to be used by students for essays, term papers, and reports.

Mrs. Marie Nixon and Mrs. Florence Carmines stand guard over the exit from the library. One of the many jobs of the librarians is to check student's signed-out books as they leave the library.

Hampton High's excellent library is an important factor in the student's daily learning process. This institution of knowledge encourages appreciation of literature and enjoyment of good books through the dedication of the library staff.

The Library offers a varied collection of literature including professional pamphlets, novels, reference materials, newspapers, recordings, and magazines.

Maintaining a space where teachers may reserve books for their pupils is one of the library's many services to Hampton. A paperback book store is also operated by the library staff and their assistants for the benefit of teachers and students.

to Enhance Culture of Students

Lou Belle Thorpe, book store clerk, sorts out a mimeographed test for an H.H.S. teacher. This is one of the many jobs that her successor for 1969 will have to acquire a talent for.

Hampton High's clerks, who are somewhat behind the scenes, are responsible for the success in accurate book and record keeping for the students this year.

Mrs. Thorpe, working in the book store, provides all students with the necessary pencils and paper. Mrs. Dare Taylor runs the large, modern IBM system in Newport News; while Mrs. Anita Jacobson is responsible for all bookkeeping for Hampton clubs, teachers, and activities.

Mrs. Reva Burdette and Mrs. Gloria Crabbe are secretaries in the main office, and Mrs. Mary Golliday takes care of Hampton's sick students in the clinic.

Modern Ideas In Students' Minds

Mrs. Orcutt expressively leads a discussion about "The Hobbit" with her junior college preparatory students. These free discussions help the pupils develop a keener sense of imagination and creativity.

The English Department of Hampton High School is responsible for the instruction of students in the required and elected fields of regular and college preparatory English, journalism, creative writing, and world literature.

Headed by Senior English teacher Mr. Elbert L. Carr, the English Department of 1968 focused the required courses around American and English literature while placing a continual emphasis on grammar.

Added courses and electives offered students with specific interests opportunities to excel in such fields as Advanced English, journalism, creative writing, and world literature.

The resulting curriculum prepared students for college or careers of any kind.

and Study the Dynamic Present and Future

Required courses in the Social Studies Department include World History, U.S. History, and U.S. Government. In all social studies courses emphasis is placed on current and modern problems affecting students either directly or indirectly.

World History classes begin their study with the origin of man and proceed to trace human cultural development up to the present society.

U.S. History concerns itself with the development of America and her people. The inevitable why's of history were stressed much more than important facts and people.

This is the first year that 'grouping' was used in social studies classes. The advanced "C" classes were for students with time for independent study and a desire for more depth. Other classes were "regular" and "B".

Next year for the first time the Department is having one Advanced Placement class in U.S. History.

Wide variety in the mathematics curriculum at Hampton enables each student to receive a basic understanding of mathematical concepts for daily living, higher education, and mathematical careers.

To give the students the ability to solve everyday mathematical problems, two courses are offered: general and consumer math. Courses offered for the college-bound student include fused geometry, advanced mathematics, two years of algebra, trigonometry, and matrices.

Honors mathematics courses of calculus and math analysis are available for qualified students who are especially interested and talented. The calculus class is supplemented by a television course taught by Doctor Richard Prosl of William and Mary. The Math Department of Hampton High is headed by Miss Iris J. Sweeney.

The Science Department of Hampton High was improved this year with the addition of two new courses to the curriculum. Aerospace Education is now available to those students interested in aviation, while Chem-Study is offered to those with an interest in increased experimentation. These two courses are substantiated by the standard courses of Chemistry, Physics, Biology, Human Physiology, and BSCS.

The Science Department hopes to instill an intellectual honesty in the students, to give pupils an insight into a possible scientific vocation, to make students aware of this country's natural resources, and to acquaint the students with the great strides being made in the world of science.

Following many years of service Miss Kathryn Bully will retire as head of the department and as a teacher.

Hampton boasts a very versatile Language Department offering courses in French, Spanish, German, and Latin. Mr. Bill C. Solomon heads the department while teaching several classes of French.

This year Hampton began a new teaching program called ALM. This Audio-Lingual Method uses tape recorders and conversation as the major means of teaching.

Several Hampton students who feel they have become fluent in a language or wish to continue their study of languages are attending school in Europe this summer. Miss Pat Parelli is attending the University of Salamanca next year.

Rounding out the students interest in culture and the fine arts are dedicated members of the faculty teaching subjects such as art and music. From them students learn to appreciate the differences between talented artists and amateurs. They also are given the opportunity to participate and develop skills in the fields of art and music.

Coach Shupe asks questions about the rules and regulations of basketball. Each six weeks the boys play a different sport.

Development of muscular coordination, improved posture, and a high level of physical fitness are the goals set by Coach Glenn Russell, head of the P.E. Department. In an effort to attain these goals, students are instructed in the skills and rules of stunts, tumbling, golf, tennis, soccer, volleyball, basketball, field hockey, bowling, softball, and calisthenics.

For the first time not only boys are able to compete interscholastically. Under the direction of Mrs. Barbara Mickelson and Mrs. Susan Nelson both a girls' basketball team and a gymnastic team were formed and, as a result of many hours of practice, became well-coordinated teams.

The Nursing Department, under the auspices of Mrs. Ruth Grover, prepares high school students for a career in practical nursing. The course consists of three hours a day of either classroom instruction or actual practical work at Dixie Hospital. The girls receive two credits for their participation.

In their studies these students are provided with a thorough background of human physiology and the proper care and treatment of the human body.

Pupils in the Home Economics Department engage in such activities as planning projects on child care, family economics and relations, health, and interior decoration. They also gain valuable skill in planning and working harmoniously with people of their own age. Under the watchful eyes of Mrs. Doris Wimmer and Helen Pleasants, they have the opportunity of working in up-to-date kitchen and sewing facilities.

Mrs. Pleasants looks on while one of her students tries to measure up to her high standards of dress making.

The business courses at Hampton High offer opportunities for students to learn skills and concepts leading to vocations in the field of business management. Many students go directly to jobs in nearby service installations and local offices. A number of students enrolled in college preparatory programs take typing and shorthand to aid them in college.

Distributive Educative is a program of instruction in marketing, management, and merchandising. It also develops in the students an understanding of the social and economic responsibilities of members of a competitive society.

The Vocational Office Training program provides the opportunity for on-the-job training as well as class room instruction. These students leave school at 12:00 to work with local firms.

Industrial Arts Develops Creative Skills

Industrial Arts education is designed specifically to help prepare students for meeting the requirements of a technological culture. Industrial arts, as an integral part of the total program of education, provides unique opportunities for students to participate in representative experiences in industrial skills and processes.

It attempts to develop in each student an insight and understanding of industry and its place in our society; it develops student talents in industrial-technical fields; it develops problem-solving abilities related to the materials, processes, and products of industry; and it develops in each student skills in the safe use of tools and machines.

Industrial arts assists in the discovery of personal aptitudes, interests, and creative technical abilities.

A cappella members Suzanne McSmith, Kathy Cline, and Joy Ratledge rehearse for the annual Spring Concert in which all three choirs performed.

Hampton's highly acclaimed choral department includes the A Cappella Choir, the Concert choir and the Girl's Chorus. These choirs presented several concerts during the year; the Fall Concert, Christmas Concert and Spring Concert. A Cappella participated in many school and community affairs during the year. The choir sang in numerous assemblies, caroled through the halls during the Christmas season and performed with the Ke-coughtan A Cappella at the city's performance of "John Smith's First Christmas". They also presented programs for the Rotary Club, Aldersgate Methodist Church, Hampton Baptist Church and sang at Baccalaureate.

To attain membership in the A Cappella one had to try out by singing an unfamiliar melody for choral director, Mr. Sidney Swiggett. Talented A Cappella members faired well in competition as HHS boasted 43 delegates to the All-Regional Chorus and 14 to All-State Chorus. A pleasure trip to the Skyline Drive topped off a successful year for the A Cappella Choir.

The HHS color guard greets President Lyndon B. Johnson during his visit to Langley Air Force Base during the month of February.

As the 1967-68 year draws to a close, the award winning Hampton High School Marching 100 band can look back over an impressive list of accomplishments.

During September the band traveled to Williamsburg to participate in the Kiwanis Day Band Muster and won a first place award in marching competition. They also performed during many assemblies, pep rallies and presented entertainment during half-time at all home football games.

In later September they took an active part in the Hampton Fair Day concert in Gosnold's Hope Park.

Columbus Day Parade, a trip to E. C. Glass for participation in half-time ceremonies and participation in the Frederick College Invitational Marching Band contest in which they received a first place trophy, highlighted the band's October calendar.

November found the Marching 100 presenting a concert at an awards ceremony at N.A.S.A. and performing in the Oyster Bowl Parade.

Concert Written by Director Torian

Hampton's Concert Band contributed greatly to the success of spring and fall concerts.

In the month of December the band was busy meeting engagements in the Hampton Christmas parade, combined band and choir Christmas Concert and delivering a concert at the Hampton Christmas festivities at Haley Park.

Applauded as their best performance of the year was the band program entitled "One Nation Under God, Indivisible" presented four times before an estimated 4500 people attending.

The annual Winter Concert and hosting District VIII Regional Workshop bands rounded out February.

In March, Mr. Charles Torian entered his musicians in the band festival from which they emerged with all superior ratings from three judges.

More awards were received by H.H.S. band students in April when they amassed over 50 superior and excellent ratings at the Solo and Ensemble Festival.

This fine year ended with a pops concert and a trip to Myrtle Beach, S. C.

In order to obtain membership in the rocket club a student must maintain a "C" average and pass a short quiz on model rocketing safety. Future plans of the Rocket Club include arranging intramural competitions among the junior and senior high schools in the city.

To make use of school facilities these girls remained after school and engaged in the sports or sport of their choice.

This year, teams in such sports as basketball, baseball, and volleyball were organized for intramural competition. As participation on these teams was purely voluntary, many interested girls were able to take part.

History Club Members Plan Mock Election in 1969

History Club member Diane Winfree announces an important past event in American history over the P.A. system during National History Week.

The History Club was one of the three new organizations formed at Hampton High this year. Its purpose was to instill in the students an appreciation of and knowledge of the history of the United States. Those students and members of the faculty who formed and joined this club felt that many citizens of the United States do not have a sufficient knowledge of its heritage. They therefore set out to inform the students and teachers of HHS of this country's great history.

Under the direction of Mr. Charles Tarkenton and Miss Joanne Taylor, the History Club related to the students by posters in the halls and the announcement of past events over the P.A. system during History Week.

Members of the History Club pose for an annual picture around their officers Tony Haynes, Bobby Phillips, Bill Griffith, Diane

Winfree, and Neil Bockoven. The sponsors were Mr. Charles Tarkenton and Miss Joanne Taylor.

Honor Council Presents Honor Talks Before Exams

Honor Council members included: *Left to right:* Chris Hutton, Mike Anastasio, Anne Henry, Mr. Dean Snead, Carolyn Phaup, Pat

Patrick, Chris Bronchina, Steve Mitchell, Bernie Lawrence.

One of the most active and influential organizations of Hampton High School this year was the Honor Council. The Council, working in coordination with the SCA, attempted to instill the meaning and necessity of honor and integrity into the hearts and minds of all Crabbers.

Under the supervision of Mr. Dean Snead, this group tried violators of the H.H.S. honor code. By impartially discussing an accused honor discrepancy, such as lying, cheating or stealing with first the accuser, then the accused, both parties have an equal opportunity to prove their case. All proceedings were conduct-

ed in complete privacy and secrecy, therefore protecting the interests of both parties.

During Honor Week and exam week devotions were given by Council members; their signs in the halls and classrooms served as reminders of the importance of honor to the students. An assembly was also presented to doubly stress the importance of honor and integrity.

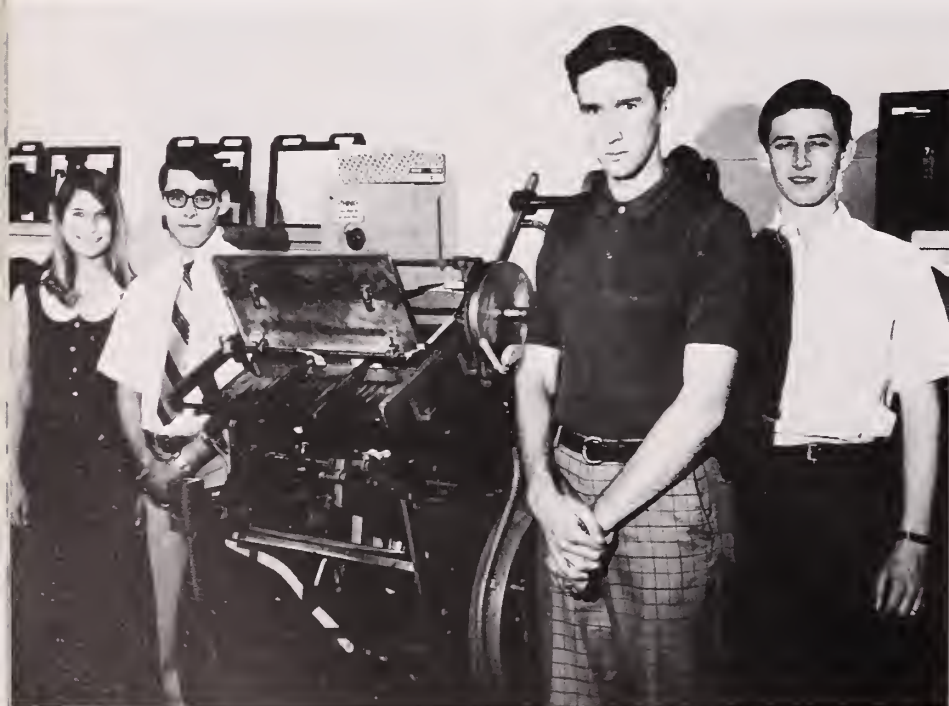

The nine member Honor Council was composed of four seniors, three juniors and two sophomores. The Honor Council provided Hampton with an effective and active honor system.

This club was started by and composed of those interested students of the graphic arts class, the electrical, wood and metal shops. It was sponsored by Mr. Anthony Lilly, Mr. Billy Turner, Mr. Walter Smith, Mr. Robert Swindell and Mr. Harold Johns.

Providing opportunities for young men to work together in a world of fellowship dedicated to service and international understanding was the purpose of the Interact Club.

The club also sold H.H.S. car decals, ushered at home basketball games, built a sports schedule plaque for the front lawn and organized the "Save the Children Drive" for the children of Appalachia.

Two members of the Club were district officers: District Governor was Bob Wilson and District Secretary was Richard Phaneuf.

Sponsored by the Hampton Junior Women's Club, the Keyettes contributed enormously to school and community activities. With money earned from bake sales, the sale of spirit links, Halloween and valentine cards, candy, and HHS shakers, they were able to adopt a patient at Eastern State Hospital. Various charitable organizations appreciated their door-to-door collection efforts. In the fall they cleaned out the SPCA animal shelter.

Around the school the Keyettes painted trash cans a brilliant red, posted schedules on classroom doors, and covered bulletin boards.

Library Assistants Sponsored by Mrs. Lois Ballagh

Library assistant, Cindy Tragle, checks out a book for Dennis

Carden. This was one of the many services performed by the aides.

Thirty-five library students assistants made up a group of dedicated volunteers who gave time before school, during study periods, and at lunch after school. They performed such duties as attending the check-out desk and permit desk, shelving the books, processing new books in order on the shelves, keeping the library orderly, running errands, and helping students find materials.

Each year the library aides go on a trip to Richmond where they visit historic sites and attend a play at the Virginia Museum of Fine Arts. They also have a banquet or picnic in the spring.

Mrs. Lois Ballagh sponsored the group.

During National Library Week, a member of the Library Club gave a synopsis of their favorite book over the P.A. system each day.

Every year a select number of students are chosen for membership in the Quill and Scroll International Honorary Journalism Society. Fourteen students were honored this year for their achievements in the literary field.

The qualifications for entrance into the Society are excellence in some form of journalism and membership in the upper third of the junior or senior class. Candidates must be recommended by the sponsor of the Society and approved by the Executive Secretary.

The students were chosen from the KRABBA annual, the Krabba Highlight, the Seafarer and Krabba Karavan. There were six students remaining from last year. The organization furthers interest in journalism and honors those who have made contributions to the various literary publications on campus. Hampton's chapter was sponsored by Mrs. Mickey Carroll.

Safa-Teens Serve as Members of Teen Jury

Under the capable guidance of Mr. Ed Duckworth the safe teens strove to promote safety driving practices in the school and community. This year the club started the project of discouraging illegal parking in the school parking lots. The administration hoped to remedy the crowded parking conditions with the aid of safe teens.

Members also served as teen jurors in The Hampton Traffic Courts where they made suggested decisions for teenage violations brought into court. Although the judge was not required to accept the panels' decisions, it aided the court in knowing the suggestions of the violator's peers. The success of the club and projects was due largely to its active members. Officers this year were: president, Diana Waters; vice-president, Dixon Harvey; and secretary Bev Ward.

Billy Strawsnyder is caught off guard as he 'borrows' a sucker from one of the baskets for needy families collected at Christmas.

The Student Cooperative Association, one of the most important organizations of Hampton High School, promoted better relationships between the students, the faculty, and the local community. Membership in the SCA consisted of a representative from each homeroom and one from each school sponsored club. The representatives and officers of the SCA are elected each year by the students themselves. These people have to be approved by the faculty and administration and also maintain a scholastic average of 'C' or better.

Along with the officers, the work of the SCA is accomplished by the 11 committees and their chairmen. These include Jane Huntley, Dance Committee; Nancy Thornton, PTA and Guidance Committee; Anne Henry, Publicity Committee; Kirby Stevens, Assembly Committee; Kitty Spratley, Welfare Committee; MaryDoug

Temples crumble, men die, empires fall, but words outlive them all. So the excellent literary magazine of Hampton High let words outlive the school year 1967-68 by immortalizing them in its pages.

Although *The Seafarer* did recognize outstanding literary achievement, it also printed the art work of talented students.

Contribution to the magazine was open to any student who produced creative writing superior to others in poetry, essays or short stories.

The staff chose the works most representative of excellence to publish.

Upon recommendation by one's English teacher and approval by the magazine's sponsor, Mrs. Elizabeth Tyler, one could become a member of the literary staff and through experience and training become an editorial staff head.

This year's editorial staff was led by editor-in-chief Anne Yeoman, who was aided by art editor Cliff Whitham; editorial chairman Marcia Joiner; and business chairman Mary Doug Thornton.

Pat Parelli Awarded \$100 Spanish Scholarship

Under the supervision of Mrs. Shirley D. McCracken the Spanish Club sought to familiarize the members with Spanish customs and civilizations and to develop their interest in Spanish-speaking countries.

The club's activities included a fall and spring banquet, a float for the Turkey Day Parade, and a Christmas party. Through the sale of donuts and club dues a scholarship was provided for a deserving, interested student. The club was divided into specialized committees in order to give each member a chance to participate in club activities.

Speech Club Sponsors Oratorical Contests

"Engage the eyes by your address and motions; soothe the ears by the elegance and harmony of your diction; and the heart will certainly follow," is a statement by Lord Chesterfield which was applicable to the Speech Club members.

Those who attained membership in this honorary organization sponsored by Mr. Stanley Mitchem were awarded a bid on the basis of an accumulation of at least 10 points earned through participation in the fields of public speaking, debating, radio and drama.

Led by president Karen Kuecker, vice-president Bryan Hatchett, secretary-treasurer Anne Henry and SCA representative Chris Cline, the club promoted interest in oral activities by sponsoring the annual Voice of Democracy Contest.

In closing the school year the Speech Club made its annual presentations for the best debator and speaker of the year awards. The Club also sponsored and judged the door and bulletin board decoration contest at Thanksgiving.

Speech club members include: *Front row:* Karen Kuecker, Anne Henry, Karen Kostyal, Mary Doug Thornton, Carla Lindsey; *Standing:* Susie Joiner, Judy Hendin, Warren Watkins, Bryan

Student Assistants Aid Office and Guidance Clerks

Student Assistants were volunteer students who relieved the overburdened school office workers. These students, under the direction of Dean of Girls Mrs. Jane Mohr, sacrificed their study halls to become student assistants. Students assistants ran errands and performed time-consuming jobs that the administration could never have completed alone. These aides worked in the office, clinic, IBM room, book store and guidance office. Their jobs included answering phones, selling notebooks, picking up IBM cards and delivering messages.

To become a part of the student assistant program, a student had to maintain a "C" average and have one free period. This invaluable service was much appreciated by the faculty and student body. The unselfish devotion of the members contributed to the smooth functioning of Hampton High Administration duties.

Student assistant, Kay Cobb, arranges the IBM cards for those students who are absent. She and others provided valuable service for the office.

Thespians Present First Theater-in-the-Round

During the spring induction of new members to Hampton High's Thespian Troupe 300, LaVerne Ricks recites to the prospective members a phase of the history of drama. The history of Garricks and Thespians was also revealed to these students and their parents

and guests. One is eligible to become a Thespian only after accumulating 25 points by participating in the acting or stage crew of various plays produced by students.

As sponsor Mr. David McClung looks on, Lynn Burnette is presented with her certificate of Thespian membership by junior Chad Hardin.

This year's National Thespian Society had a very fine year as shown by their many successful productions. These productions included the fall musical *Stop the World—I want to Get Off*, the junior class play *The Loud Red Patrick*, theater-in-the-round *David and Lisa*, the senior class play *The Playroom* and the Children's Theater *The Clown and His Circus*.

This year the Thespians have been honored by an invitation to present a full-length straight play at the National Drama Arts Conference in Indiana. Both the Thespian and Garricks have been working hard to raise money for this trip.

In order to become a member of the Thespians a person must obtain 25 points. To be a Garrick, you must have at least 2 points which are attained by working on school productions. Invitations take place for new members in December and May each year.

Teens Involved in Community Service (TICS) was established in the fall of 1967. With membership open to all interested students, the club's purpose was to provide opportunities for the members to participate in community service activities and to stimulate at Hampton High School an interest in community service and the development of good citizenship.

Under the co-sponsorship of the Hampton Junior Women's club, TICS successfully engaged in many activities this year. Among them were the development of the Club's Constitution, Assistance at the Hampton Fair Day, making Christmas coloring books for the children at the Hampton Roads Speech and Hearing Clinic, assisting with the March of Dimes and Muscular Dystrophy drives, and conducting bake sales and selling refreshments at the basketball games to raise money for a scholarship.

The 1968 officers of the TICS were: president Marlene Williams, vice-president Carolyn Orser, secretary-treasurer Gloria Womble, publicity chairmen Janet Blason and Barbara Hargraves, and sponsor, Mrs. Rhonda Smith.

Under the supervision of Coach Johnny Palmer, the club sponsored several projects. Besides the presentation of cheerleader's megaphones and the decorating of the Turkey Day Float, the club members award a scholarship to a senior at the year's end. The major goal of the Varsity Club is to provide a further incentive for athletes in all fields at Hampton High School.

Youth for Christ Quizarama Won by Hampton YFC

Hampton High's Youth for Christ Club was the first Y.F.C. on the Peninsula to receive a charter from the International Youth for Christ Club.

Formed to make students aware of Christianity as a satisfying and rewarding way of life, the club encouraged morality and regular church attendance.

Each Saturday night members of the Y.F.C. participated in Peninsula rallies where organized activities, games and movies were provided for their pleasure. An increase in their knowledge of the Bible was brought about by various quiz games.

Hampton's Y.F.C. won the Peninsula Youth for Christ Quizarama for the second year.

The organization's meetings were enriched by various speakers throughout the year and people of all denominations were invited to attend.

Big Red headed by Coach Johnny Palmer ended an outstanding season with a 9-2 record. The Crabbers fell to E. C. Glass in the sixth game of the season by only one point. The second loss came in the vie for the Eastern Regional Championship when Hampton came up against Princess Anne.

Hampton was undefeated in Peninsula District which gave the Crabbers their second consecutive District Championship. Hampton's two biggest rivals, Newport News and Kecoughtan both fell to the Crabbers this year.

Tom Siegfried and Bill Strawsnyder were the key to Hampton's offense. David Walters, a sophomore this year was also a big asset to the offense. Don Carden, Pat Kahout and David Glosson were the standouts of the "Mean Machine."

Led by juniors Willie Clayton and Tony Price the track team had an impressive 4-3 season. Of the three losses two of them were by a total of only twelve points.

In his first outdoor season at Hampton, Coach Blevins had assistance from Coach Cutler and Coach North.

This year Hampton sent three men, Clayton, Price, and Charlie Pressey, to the Regional meet at Fort Eustis.

With many juniors returning Hampton can look forward to a strong team next year.

Senior Rick Rogers arcs basketball over opposition and toward basket.

Hampton's cagers guided by the steady hand of Coach Glen Russell posted an impressive record this year with 20 wins and only 2 losses. For the second consecutive year, Hampton won the district championship. In district play the Crabbers fell only once to arch-rival Newport News. Cross-town rivals at Kecoughtan lost three times to the Big Red.

In the first Eastern Regional play-offs, the Crabbers defeated Princess Anne only to be beaten by Maury. Hampton finished its season, second in the Region.

Because most of the first stringers this year were juniors, next year's record should be just as impressive as this year's if not better.

Henry Morgan and Sammy Alston, two hot shooting guards, combined good team work and outstanding individual play at the guard position. Don Carden Places First at the State Tournament

In its third season at Hampton High School, the wrestling team provided a lot of action for the students. To help introduce the student body to the sport Coach Ronnie Cutler and the team demonstrated some of the offensive and defensive moves and also the scoring system during an assembly.

Co-captained by Barry Brown and Jake Priode, wrestling at 154 and 137 respectively, they established not only a good rec-

ord, but also a reputation for fair play and good sportsmanship.

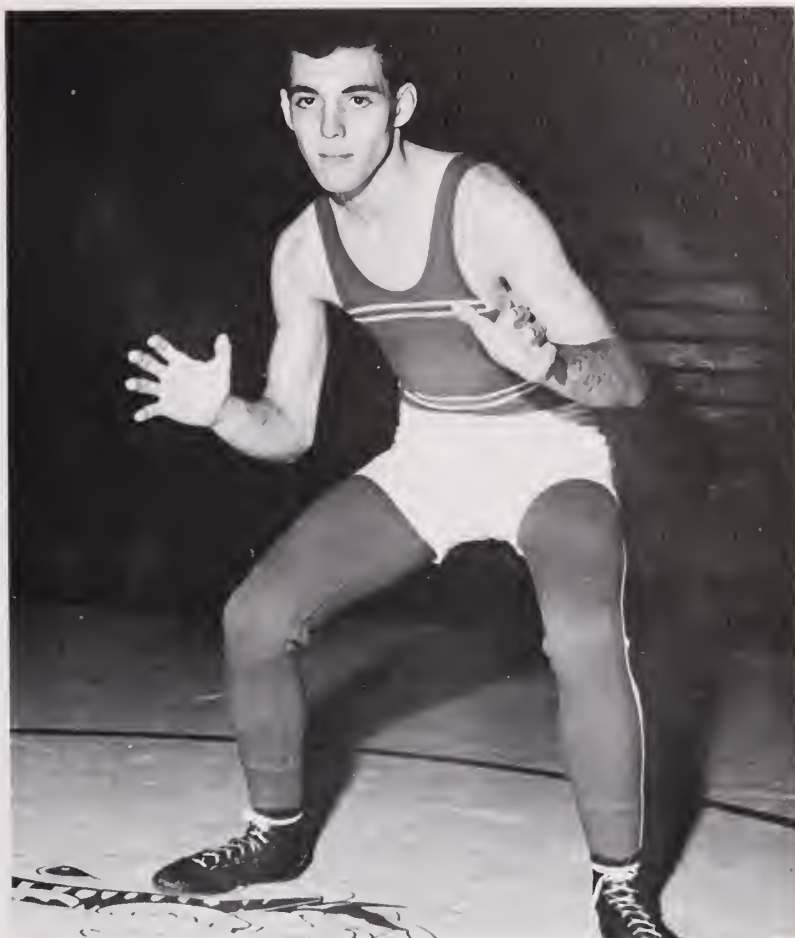

It was rumored that because of Coach Cutler's size, he would not be able to control or teach the larger wrestlers. However, at one time during the season heavyweights Willie Clayton and Don Carden were ranked one and two in the district. Don Carden went on to win first place at the state tournament.

Coached by Joe Price, the team's high point winner was Eddie Stelway. Danny Little was "Most Valuable."

This year the team traveled to East Carolina University for the Eastern Seacoast Invitational. In competition with more than thirty teams, Hampton came out point winner over Virginia teams. Losing only six lettermen, next year's team should be able to defend its Regional Title easily.

Linkmen Finish Second In District

The members of the Golf team this year are Dave Hull, James Crowder, Robert MacMaccan, and Dale Vande Hey.

Coached by Joe Beck, the Hampton High School golf team finished second in the district with a 6-1 slate. Led by seniors Jim Crowder and Robert MacMeccan the Crabber golf team took four straight victories before losing to York. The team finished the season winning their last two tournaments. In the Regional Tournament Hampton again finished second behind York. Making the all District Team for the Crabbers were David Hull and Dale Vande Hey.

Senior Crabber Jim crowder tees off for the Crabber golf team.

Completing the Crabber golf team are Mark Jeffers, Allen Altschuler, Steve Jones, Richard Williams and David Frank.

Hull, Vande Hey Make All District Team

Hard swinging Robert MacMeccan plays a tough lie on Hampton's home course.

Jim Crowder might complain just a little but he knows the rules and Robert MacMeccan must play the ball where it lies. Better luck next time, Jim.

Bobby Hessler Breaks District Strike Out Record

(FIRST ROW) Glen Nicklaus, Scott Curtis, Jerry Turner, Jim Small, Tom Lassiter, Gary Osmundson (SECOND ROW) Coach Richard Gaudi, Richard Sprouse, Bill Strawsnyder, Jim Ingram, Bobby

Wheeler, Bobby Hessler, Clark Ward, Willie Adams, Coach Bolen Shupe.

Led by all district selections Bob Hessler and Gary Osmundson, the Hampton High School baseball team finished a respectable 7-8 season. Hessler set a new Peninsula District strikeout record with 114 strikeouts in one season.

With nine returning, head baseball coach, Bolen Shupe thinks Hampton will have a good shot at the district title but he will be at the new Bethel High School. Among those returning are Osmundson and sophomore John Wheeler.

Coach Bolen Shupe demonstrates the fine points of batting to outfielders Clyde Murphy and Jere Miller.

Glen Nicklaus scores easily from third base as Warwick catcher awaits the ball.

First baseman Boyd Greer takes the throw as Bobby Hessler comes to cover.

All district selection, Gary Osmudson, dives quickly to avoid pick-off attempt.

Molly Price and Martha Bielat Head Cheerleaders Through Season

Throughout the year at Hampton High School the cheerleaders stimulated HHS athletic fans. But the long hours spent in practice for the assemblies were only part of the service the cheerleaders gave the school. Many hours were spent in painting signs for the gym and the buses to the E.C. Class game were arranged by the cheerleaders. With Molly Price as their head, the cheerleaders completed a very successful year.

Martha Bielat, co-head cheerleader, gave a big yell for the Crabbers this year.

Silouhettted by Turkey Day Bon Fire, Molly Price leads students in Fight Song.

Nancy Hudson Voted Best Cheerleader For 1968

Victory banner carried by Mary Jo Anastasio and Gail Sgavichio leads Varsity Cheerleaders onto the field.

With the coming of the new school year the J.V. cheerleaders got their first real experience cheering for a high school. The eight juniors helped out in pep rallies and aided the varsity squad at football games.

With the splitting up of the assemblies the J.V.'s had to start writing and performing their own skits for the sophomores in the auditorium. In spite of their inexperience the J.V.'s worked hard and gained a good basis for next year.

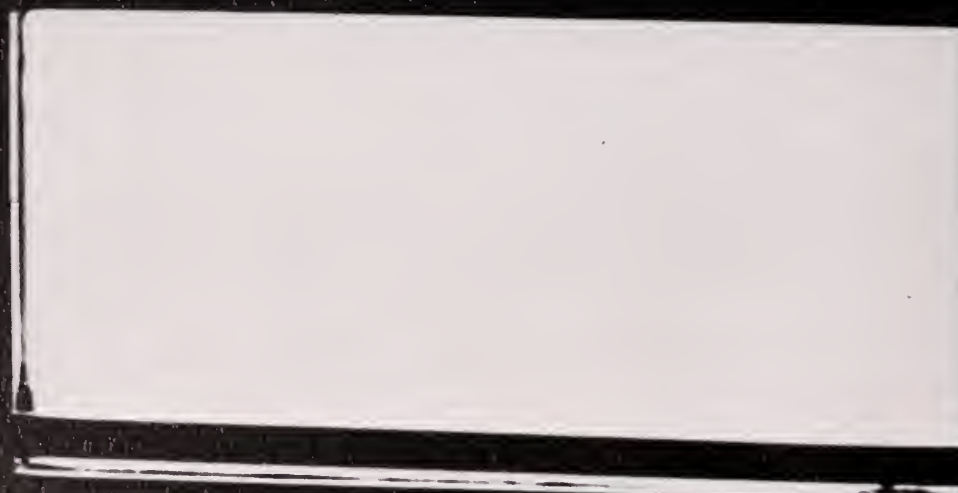

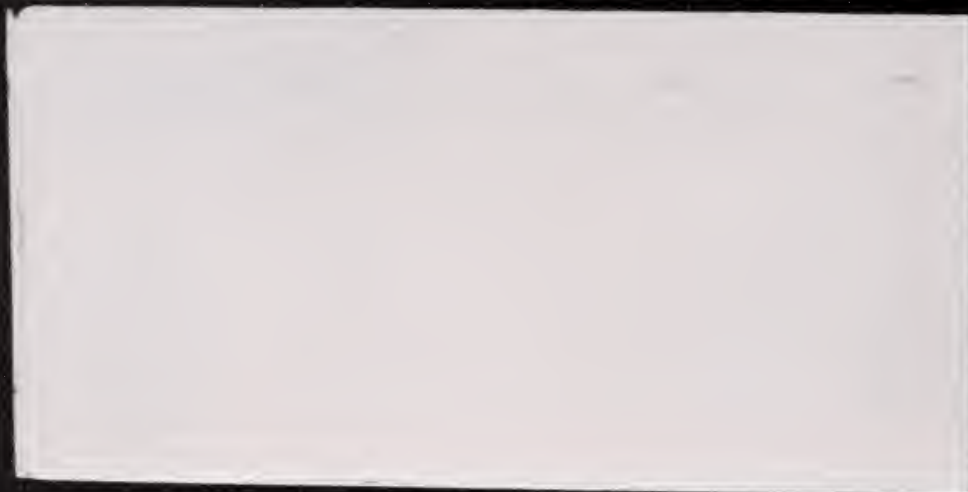

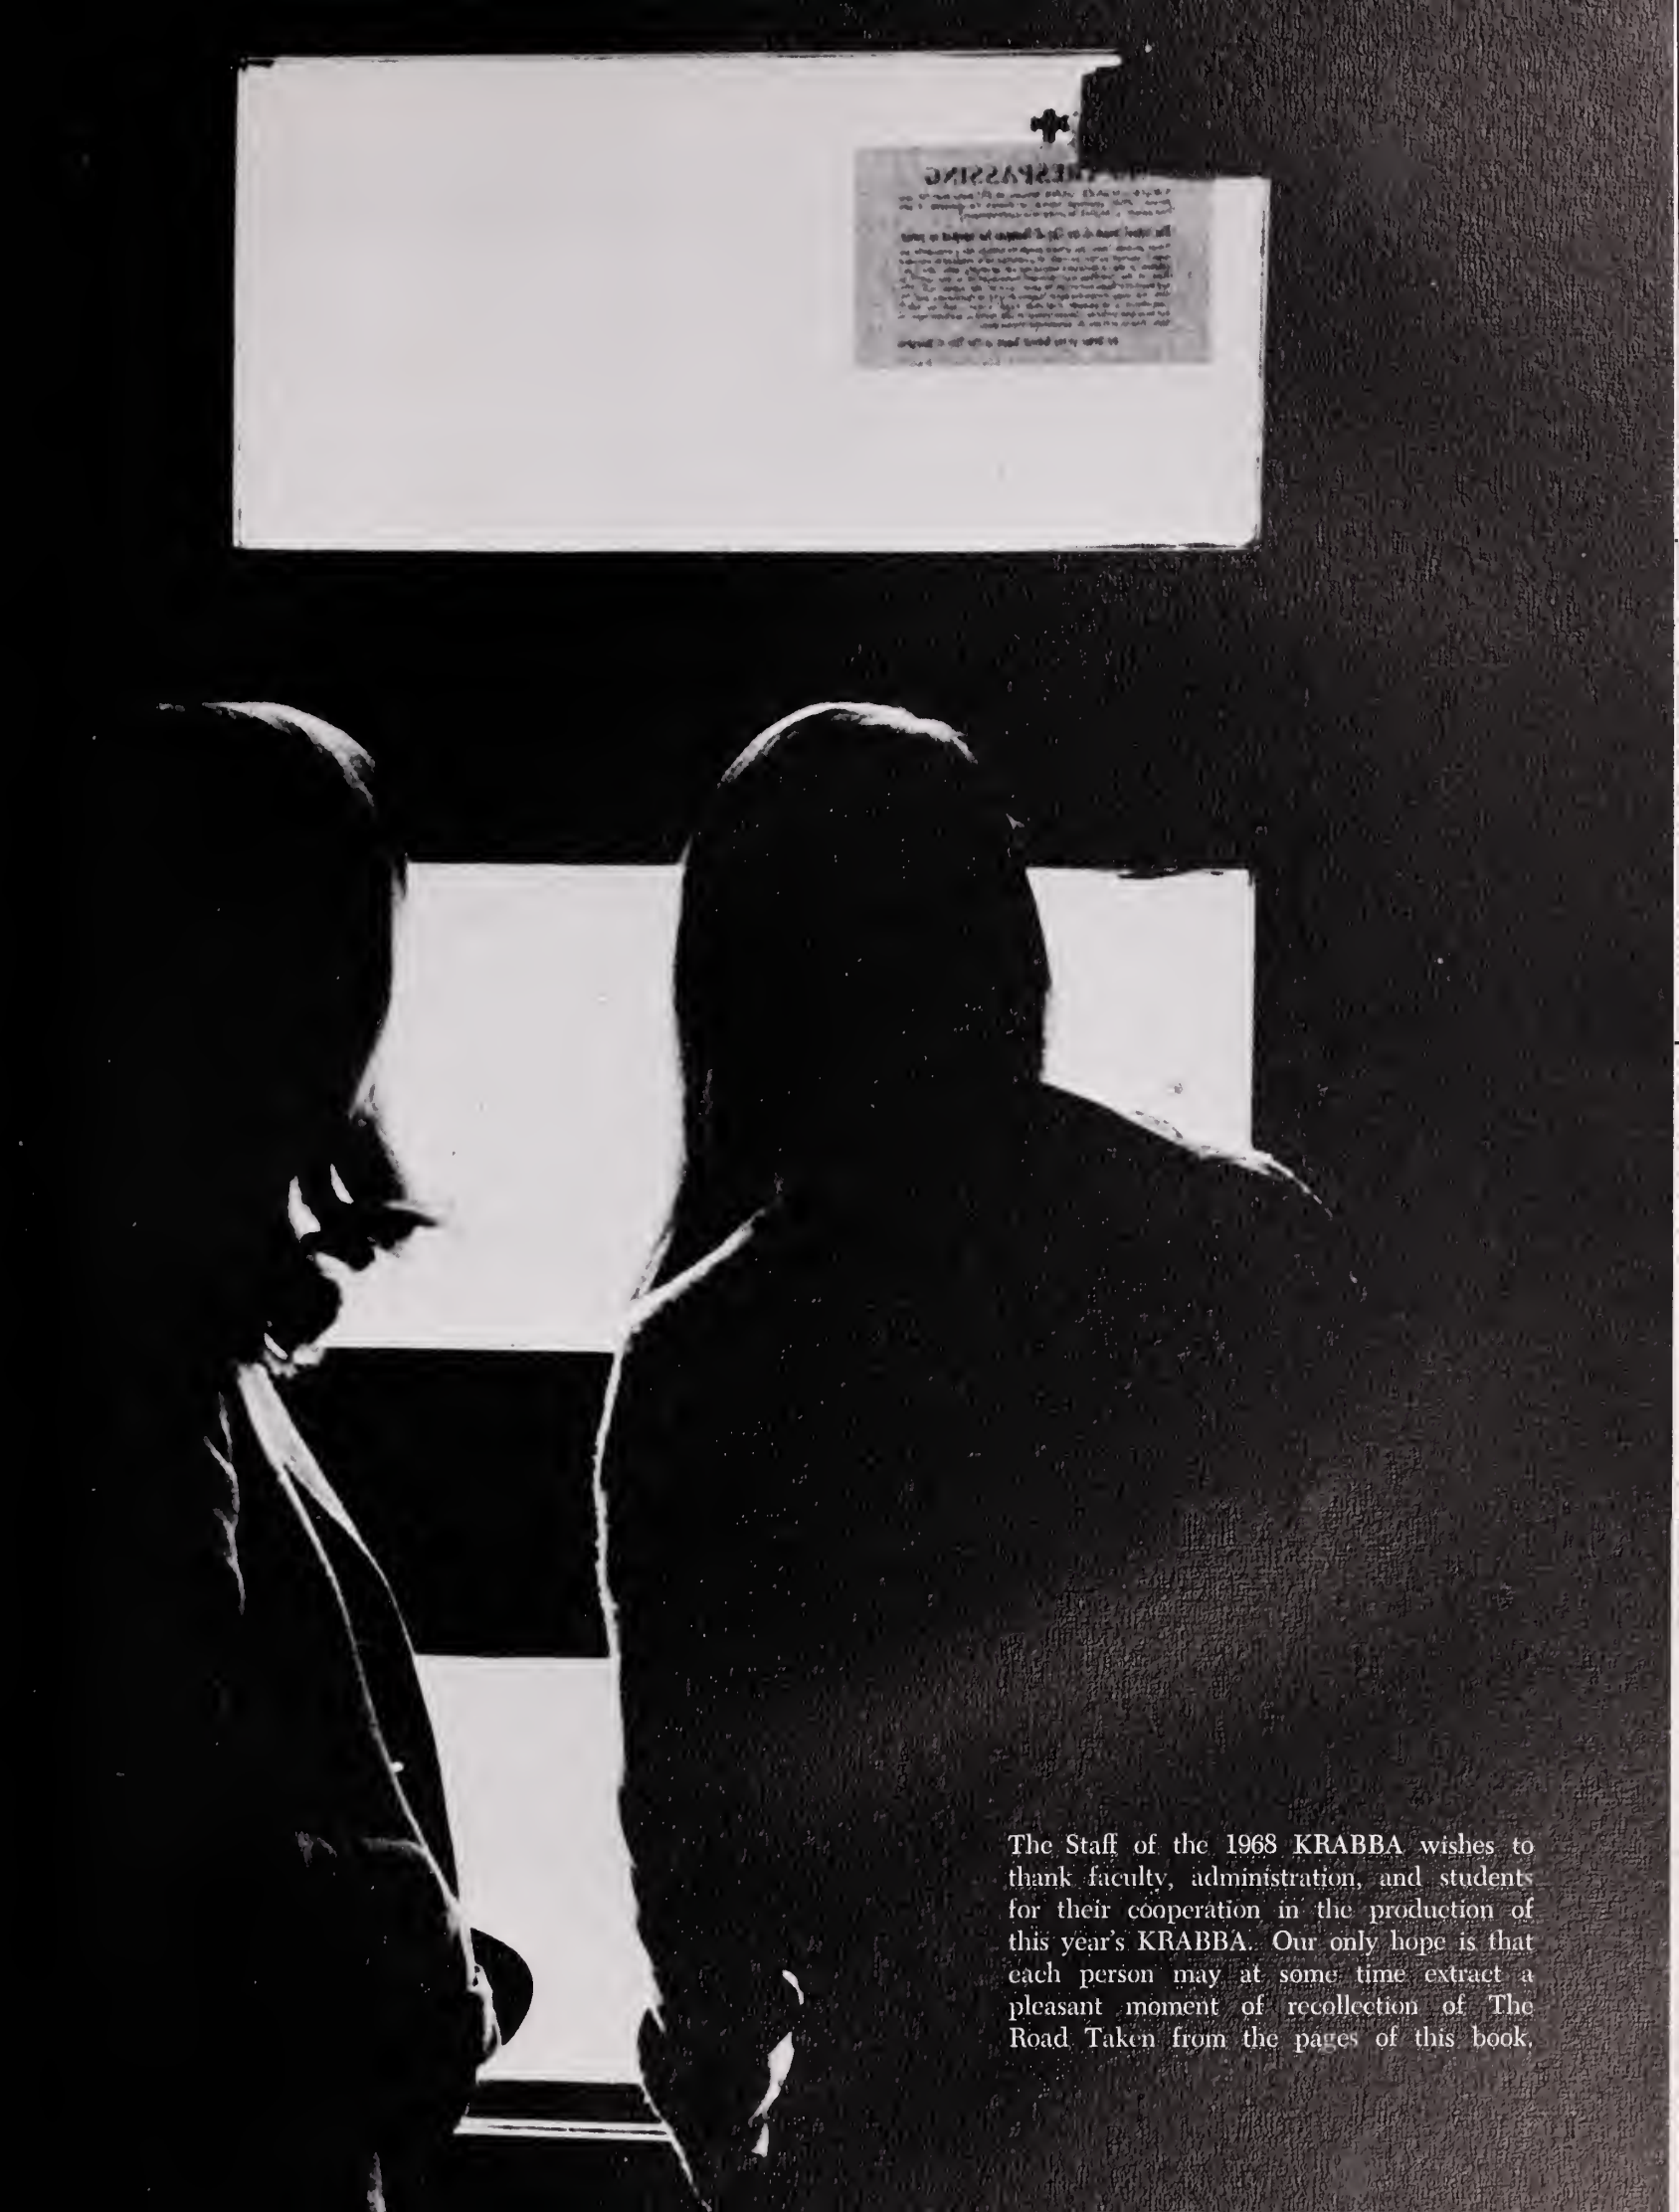

Head Cheerleader Molly Price shows perfect form in one of her many high-spirited jumps.

Eileen Wolff, Lela Duke, Martha Ritchie, Dianna Winfree, Becky Crenshaw, Nina Lockridge, Linda Lackey, Debbie Clifton formed the J.V. Cheerleader Squad.

Epilogue

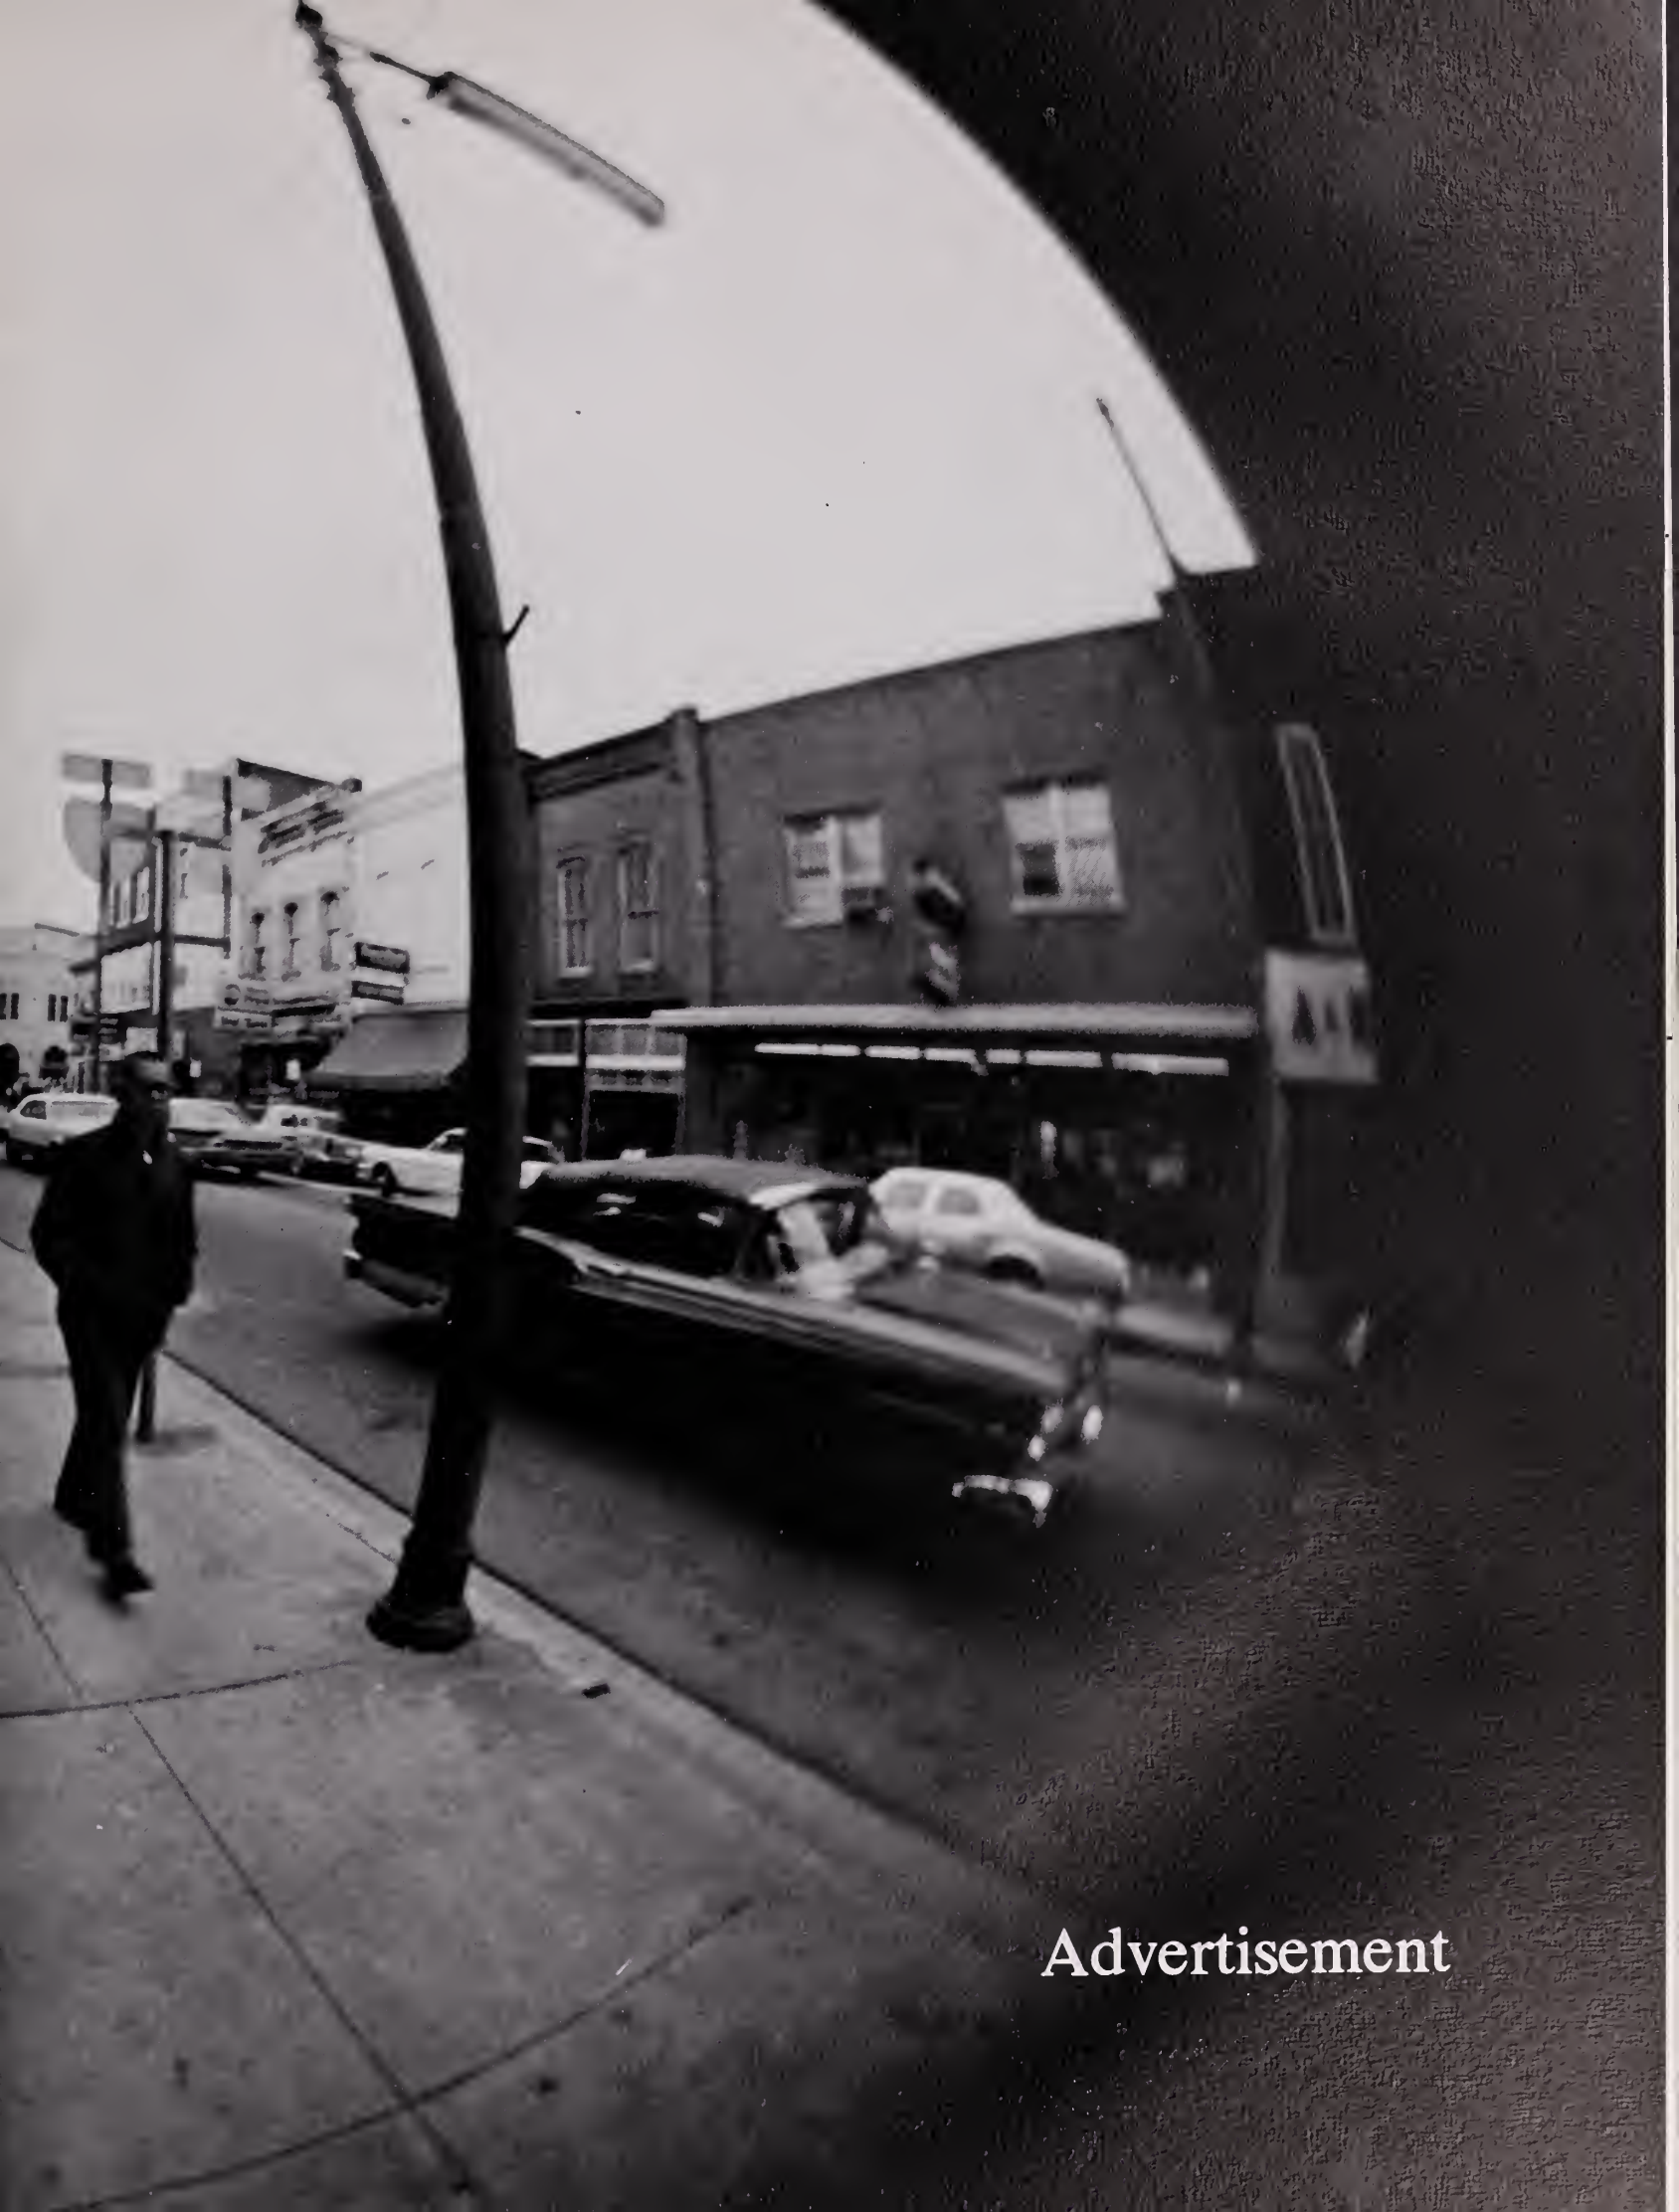

The Staff of the 1968 KRABBA wishes to thank faculty, administration, and students for their coopération in the production of this year's KRABBA. Our only hope is that each person may at some time extract a pleasant moment of recollection of The Road Taken from the pages of this book.

VIRGINIA'S FINEST DEPARTMENT STORES

GOOD SHIPS START HERE

Fine ships don't roll off a production line. They're built efficiently and well only by men whose skills and knowledge are broad. That's why Newport News begins at the beginning with its own selective Apprentice School.

High School graduates enter on the basis of academic record. But selectivity doesn't stop there. In classroom and shop, in the drafting room and out in the yard, each man's

special abilities are watched and developed.

Some become skilled and versatile machinists. Others become expert electricians or precision tool makers. Many become supervisors. Some earn scholarships for advanced training at colleges and technical schools.

We think the School's a pretty inspiring place, because its end results are good men and good ships.
